THE CENTER FOR SOULFUL LIVING
PRESENTS

A SOULFUL WEEKEND

with

Bill Bauman, Ph. D.

Bill offers you three of his special gifts:

HIS VISION

Bill's over-the-forest perspective is visionary, profound and transforming.

HIS INSPIRATION

Bill speaks an inspired, insightful message about life itself and about each participant to whom he gives personal input of feedback.

HIS BLESSINGS

Through Bill's hands comes a pure light that gives you a transforming personal gift.

Each day from 5:00 to 6:00 PM Bill will give individual hands-on- blessings.

Bill is a grounded spiritual mystic, a loving visionary and an inspiring teacher. Founder of the Center for Soulful Living and author of Soul Vision, Bill sees life through the eyes of the soul and speaks the soul's transformational language.

During this weekend Bill powerfully creates with you a divine space filled with grace and gifts, and helps you to:

- Experience a personal blessing, transformation and renewal
- Open your heart to Life and its grace-filled blessings
- Listen to the quiet, loving voice of your inspiring soul
- Allow inspiration to wondrously take over your life
- Discover the beauty, vastness and truth of your most real Self.
