New Programs for 2011

The following programs will be offered regionally in 2011, by request. If you would like to sponsor or host one or more of these programs, please call the program presenter to discuss your interest.

Luminary Mentoring (Debbi Brown) This four-tiered, soul empowerment training culminates in becoming a Luminary Mentor, where you fully embody your luminous nature as an Ambassador of Peace, Emissary of Light, and Model of Oneness. Each tier builds on the previous one and provides a separate certification. This advanced experiential training covers spiritual alchemy, the art of transmutation, living in the moment, embracing oneness, sacred biology, secrets of medicine men and women, 21st century models of leadership and much more, as you move into your personal freedom and self-mastery. Creating Compassionate Awareness for the Journey Home (Debbi Brown) is a one-, two-, or three-day experiential training on the sacred journey of death that we each will make one day. Designed for those in the palliative care field, such as hospice and hospital personnel, and for anyone caring for elderly parents or sharing life with a person with a diagnosis of terminal illness, this program cultivates compassionate presence and increased understanding of the life of the soul and consciousness beyond the body. Filled with heart-centered wisdom and world teachings on death, it supports becoming comfortable with the dying process and communicating with those who are on the journey home. Living in the Magic & Mystery (Debbi Brown, Annette Norris, and Roger Leahy) celebrates the mystical aspect of the divine by inviting participants to explore the joy and magic of a life lived deep in the mystery. This is a playful, creatively inspirational program. Connect your heart with its own unique song. Find freedom in your own soul-dance with life. Invite forth the wise child and the sacred self to dance in the moonlight along the mystic's sacred path. Contact Debbi Brown: DebbiBrown@cox.net or www.RevDebbiBrown.com

Creating Soulfully (Developed by Ellen Anderson, Denise Harrington, and AlexSandra Leslie) will assist you to fully bring forward your inspired, soul-gifted, personal expression in the world. From the depths of your soul create dynamic and magical action, actualize conscious creation, and manifest your soul's true purpose. This 2-day workshop includes a personal coaching session, 8 scheduled small group sessions and a 90-minute teleconference. (For CSL mentor / trainers who would like to facilitate Creating Soulfully, training as a Soulful Presenter will be provided.) Contact Ellen Anderson: EMAButterflies@gmail.com

Soulful Minister Training (Debbi Brown) is a comprehensive, year-long ministerial program designed with a holistic, universal, humanistic and spiritual curriculum. It is intended to provide special individuals with the needed skills to serve others from a soul level in the capacity of Minister. Primarily offered online, discussions will include sacred texts and archetypes, speaking truth from the heart, creating sacred ceremony and space, death and dying, ministerial duties, practical applications of ministry, and much more. Culmination will be a 4-day retreat and ordination (application process is required). Contact Debbi Brown: DebbiBrown@cox.net

Ascension Light Blessing (Level 1) (Carrie Bodane) is a 1-day seminar for those who desire to raise their spiritual consciousness and achieve enlightenment. It activates the ability to bring in the divine frequencies of Ascension Light and provides an opportunity to be a conduit of the Ascension Light Blessing for themselves and others. Website: www.cfhTransformation.com. E-mail: cfhTransformation@gmail.com. Individual Ascension Light Blessing sessions are available.

The Magic of Music: Discover the Power of Using Music Consciously (Melodye Eisele) is a 3- or 6-hour experiential workshop. Experience a variety of musical genres, including the magic of Melody's Celtic harp. Discover the powerful ways music brings life into every cell. Revitalize and protect energy levels, improve concentration, de-stress and increase creativity. More information or individual sessions, contact Melodye: HarpSongs@crossquarter.com or 763-957-0754.

Quanta Transmission Retreat Series (Dianne Shelton) comprises a series of 1-day retreats, each with a specialized focus. With one's Soul, Quanta dismantles dysfunctional structures and co-creates new, brilliant structures of light. This facilitates organic experiences of transformation and freedom. Quanta transmissions allow us to open and claim our True Nature and Ultimate Destiny. For more information: DbShelton333@hotmail.com; www.QuantaTheDivineLightStructure.com.

Shamanic Energy Medicine (Angela Mandato) includes living and dying consciously, resonating miracles, chakra clearing, soul retrieval and navigating the realms of relationships. For more information about Shamanic Energy Medicine, visit: www.ResonatingMiracles.com or contact Angela by email, AngelaMandato@yahoo.com or by phone, 435-680-0717.

Soul Consciousness (Mary & Barry Nadler) is a 1-day seminar that offers you blessings and grace-filled gifts from Spirit -- "Soul Consciousness." As you open to higher dimensions of your Soul and Spirit, illusions drop away, and you are lifted into freedom to live from a place of greater clarity. Become your own true nature, and expand your awareness of Oneness with your divine source, your Soul, You. Contact Mary at Mary@MysticHeartUniverse.com or 828-338-0042

Soulful Storytelling: Reclaiming, Reframing, and Releasing Our Stories (Jo Anne Smith) is a 1-day workshop exploring our human experience as a rich and glorious story, a reflection of Essence through the mirror of our individuality. Our personal stories shape our lives and how we see ourselves. Experience the magic of sharing these stories with ease in a powerful, supportive group.
